February 29-March 7, 2020 trip to Cayman Islands!

Fintastic Diving invites you to explore the beautiful blue water and the creatures of the CAYMAN ISLANDS!!

Join us as we spend eight days and seven nights at **Cayman Brac Beach Resort to dive reefs, walls, and wrecks!** This trip is a **diver's dream** with **twelve morning boat dives, five afternoon dives, and the ability to go on a night dive!**

Cayman Brac is known for the unlimited visibility and the incredible diversity of fish and invertebrates-we like to call it easy diving! When you are not diving, enjoy the hotel's **beautiful pool, spa,** or some of the many amazing amenities!

Cayman Brac is known for Wall to Wall Adventure. If you are a diver who also loves rock climbing, you may want to consider getting the best of both worlds. In the mornings, dive some of the Brac's best reefs and walls. Then spend the afternoons climbing and/or rappelling the island's 141-foot Bluff, the highest point in all of the Cayman Islands.

Join us and make Fintastic Diving your next adventure!
